

Refer-A-Friend Promotion Terms and Conditions

Anzo Capital (hereinafter referred to as ‘the Company’, ‘we’, ‘us’, ‘our’ or ‘Anzo Cap’) may reward new and existing clients by way of cashback under the Refer-A-Friend Program (‘the Program’) subject to the terms and conditions contained herein.

A. Introduction

1. The **Promotion Period** specifically for this Program shall run from **1 February 2026 00:00:00 until 30 June 2026 23:59:59** (MT4 / MT5 Server Time).
2. By participating in the Program, the Participant acknowledges that he or she has read and agreed to be bound by these terms and conditions and Anzo Capital Terms and Conditions.
3. Anzo Capital reserves the right to unilaterally modify, change or terminate this Program or any of the terms and conditions included herein, or any policies it applies in the exercise of its discretion under this Program at any time, without the Participant’s consent.
4. If Anzo Capital reasonably believes you have, or attempted to, whether acting alone or acting in concert, manipulate our promotion program(s), attempted some form of market abuse or market misconduct, or taken unfair advantage of us, we may verify your compliance or eligibility at our sole discretion and Anzo Capital reserves the right to take necessary action, including but not limited to disqualification, revocation of rewards, deduction of relevant amounts, or other actions deemed appropriate, without further notice to you. Anzo Capital reserves the final interpretation right to define the above abuse, misconduct, or unfair conduct and reserves the sole right to conduct further investigation or verification as appropriate.

B. Conditions of Eligibility

1. The eligible Participants of this Program are clients (new or existing) who:
 - a. have **at least one** MT4 / MT5 trading account with Anzo Capital (**Participating Account**’);
 - b. have not entered any Introducing Broker (IB) agreement with Anzo Capital;
 - c. comply with all compliance and account opening requirements of Anzo Capital; and
 - d. are the residents **listed in Appendix 1**.
2. To be entitled to the Rewards, the Participants must complete the following steps via accessing the ‘Refer-a-Friend’ section of Anzo Capital Client Portal:
 - a. Inviter shares an exclusive referral link or QR code to the prospective Participant (‘Invitee’).
 - b. Once Invitee has used this link or QR code to open a Participating Account with Anzo Capital and has made a First-Time/Initial Deposit of no less than **USDS\$100** (*or equivalent in other currency*) **AND** traded Trading Lots of **no less than 1 standard lots** during a 30-day countdown period, both the Inviter and Invitee will become eligible for the Rewards. (Refer to Part C below for further information).
3. The Promotion Period is defined as the timeframe during which the Inviter must share the referral link, and the Invitee must register a Client Account and set up the Invitee’s first Trading Account. The date on which the Invitee’s first Trading Account is established will initiate the 30-day Countdown Period. See the example scenarios below for clarification:

Example Scenario 1:

If the Inviter sends out a referral link on 30 June 2026 (last date of this Program) and the Invitee successfully registers a Client Account and sets up their first Trading Account on the same date, the 30-Day Countdown Period starts from 30 June 2026, regardless of the conclusion of the Promotion Period.

Example Scenario 2:

If the Inviter sends out a referral link during the Promotion Period, but the Invitee registers and sets up their first Trading Account on 01 July 2026, neither party is eligible to participate in the Promotion, as the registration did not occur within the Promotion Period.

- The Rewards under this Program will ONLY be granted if, at the time when we are reviewing your application, you have fulfilled all the conditions under Part B above.

C. Reward Requirement & Conditions

- Generally, the following steps need to be followed and achieved by both the Inviter and Invitee during the Promotion Period:

Steps	Procedures
1	The Inviter must share the exclusive referral link or QR code from the ‘Refer A Friend’ section of Client Portal with the Invitee.
2	The Invitee must register with Anzo Capital using the shared link and successfully open a client account and at least one Trading Account within the Promotion Period. Failure to use the shared link will disqualify the Invitee from participating in this Program.
3	After setting up the Accounts, the Invitee can view and complete the tasks listed in the ‘Refer A Friend’ section, including making the First-Time Deposit and meeting the Trading Volume requirements. These tasks have a Countdown Period of 30 days for completion.
4	Upon successful completion of these tasks within the Countdown Period, both the Inviter and the Invitee are eligible to redeem their Rewards as specified in the Rewards Structure Table below.

- Task and Reward Breakdown are shown as follows:

Task		Inviter’s Reward (Cashback)	Invitee’s Reward (Cashback)
Invitee Passed Verification and Completes Registration		\$10 USD	\$10 USD
Invitee’s First Time Deposit	Invitee’s Accumulated Trading Volume	\$10 USD	\$10 USD
At least \$100 USD	At least 1 Lots		
Total Reward		\$20 USD	\$20 USD

Notes:

- Rewards are issued in full upon task completion and cannot be split.
 - Inviter can refer multiple friends; for each invitee completing the required tasks, the inviter will receive **\$20 USD**. There is no upper limit to the referral rewards.
3. The Invitee must be a client who is registering with Anzo Capital for the first time. If Anzo Capital suspects that the Invitee has registered multiple accounts using the same name or registration details (including but not limited to IP address, electronic devices, email address, phone number, ID card information, physical address, utility bills, etc.) to participate in this Program, Anzo Capital reserves the right to refuse or revoke the Invitee’s eligibility for participation.
 4. Both the Inviter and Invitee's IP address must be different.
 5. Invitee cannot be assigned under any Introducing Broker during the program.
 6. During the Promotion Period, neither the Inviter nor Invitee is allowed to enter the Introducing Broker agreement with Anzo Capital or participate in Anzo Capital’s Introducing Broker program. If the above situation occurs, the Rewards may be affected, and the referral link will become invalid.

D. Trading Lots and First-Time / Initial Deposits Information

1. The Trading Volume is calculated as below, and any hedge trades, arbitrage trades or trades which Anzo Capital may reasonably believe to have violated or to be likely to violate the company rules shall not be included in the trading volume calculation:

<p>Trading Volume = FX Lots + Metals Lots + Crude Oil Lots + CFDs Lots + Cryptocurrency Lots + Shares Lots</p>

2. Trades must be opened and held for more than one (1) minute or more.
3. Trading lot calculation begins when the Invitee makes the first trade. Each trade adds to the total number of lots reaching the Trading Volume requirement, and the Invitee must reach the required Trading Volume within the Countdown Period (30 days).
4. The Trading Volume calculation is based on the Invitee’s Client Portal irrespective of the number of Trading Account(s) opened by the Invitee.
5. The First-Time / Initial Deposit refers to the very first deposit made by the Invitee into their Trading Account. This Deposit needs to meet or exceed the specified minimum amount mentioned in Clause C.2 (\$100 USD).
6. Participants holding Cents Account(s) acknowledge and agree that Cents Account(s) shall be eligible only for net deposit-based calculations for the purpose of the reward. Trading volume or traded lots generated through Cents Account(s) shall not be included or counted toward any promotion-related requirements, thresholds, or rewards.

E. Reward Redemption Details

1. Both the Inviter and Invitee can track their progress in the ‘Refer A Friend’ section of their Client Portals. The Inviter can check if the Invitee has registered successfully, while the Invitee can see a countdown from the opening of their first Trading Account to complete necessary tasks like the First-Time Deposit and Trading Volume within 30 days.
2. Once the eligibility requirements are fulfilled, both Inviter and Invitee (Participants) are entitled to redeem their Rewards immediately in the ‘Refer-A-Friend’ section of Client Portal. Once the Rewards are credited to the Participant’s account, they can be withdrawn immediately without any rollover requirements, i.e. no specific conditions that need to be met before withdrawal can be done.
3. Rewards shown are provisional, cannot be split and/or withdrawn until both Participants meet all the requirements within the respective periods.
4. Please be informed that all Participants are solely responsible for reporting and paying any taxes that may be due on Rewards received through this Program. It is the Participant’s responsibility to understand and comply with local tax laws.
